Dear Customers and Friends:

While 2009 was a challenge for all of us, we continue to be excited about this ever-changing industry we serve. As technology continues to be more and more pervasive in all of our lives, you can count on us to evolve and adapt in order to serve you even better. This year's full-line catalog is chocked full with everything you need to install, repair, upgrade or simply enjoy your electronics. With over 3,350 new items, we are **Your Connection to Electronic Products and Components**. When you need something electronic, start with MCM!

Phil Minix
Phil Minix
 President

P.S. We cherish our repeat customers and welcome our thousands of new customers to the family. Thank all of you for your continued business in 2010!

What Others are Saying...

"Because of MCM Electronics' excellent response to our purchasing needs, BOI Solutions remains an avid partner with MCM in our pursuit to satisfy our clients' needs."

Lysanne - BOI Solutions

"...Your service is not only prompt, but your product is well-packed for protection in shipment and your prices are very reasonable...I picked the right web company! (was my first choice)"

Robert Krueger - Scottsdale, AZ

"I've been working with MCM for many years and the service I receive from my account manager has always been great! It's refreshing to know that you can call on someone that's knowledgeable and willing to extend themselves."

Travis - Aaron Rents, Inc.
